Synopsis

Prometheus had dared to steal fire from the gods of Olympus to give it to men so that they could learn. Zeus sentenced him to be tied to a rock. His liver, which an eagle came to devour every day, grew back every night. When Théo, a Parisian rapper with an already bad liver, finds himself without the means to light a cigarette one evening in the countryside, he goes in search of fire. The night that awaits him will be legendary...

THIEL OF FIRE
